The tuition for said instruction is \$ 380.00.

The Student may begin classroom instruction, at age 15 years and 5 months, before obtaining a temporary driving permit. However, the Student is required to obtain a valid temporary driving permit and pay tuition in full prior to scheduling the practical driving portion of the training. If the Student must cancel a scheduled driving appointment, cancellation must be made before a minimum of 24 hours prior to the scheduled appointment. Failure to do so may result in an additional fee of \$ 50.00. The same fee shall apply should the Student fail to appear for, or for any reason not be prepared to take, the scheduled lesson. The Driving School reserves the right to deny the Student admittance to any class if the Student is tardy. Should a check received as payment of tuition in whole or in part, be returned due to insufficient funds, the Student may be removed from driving schedule until such check is made good. An additional fee may be charged for any returned check.

The Student is required to complete all available training within six months of the date the training begins. There may be no refunds provided after that time. Upon expiration of this agreement, a reinstatement fee may be charged before any further services are provided. The Driving School does not guarantee the issuance of a driver's license to the student. If training is not completed within the six months, a new agreement shall be established and training shall be restarted.
