Overbeke Driving School, hereinafter referred to as "The Driving School" agrees to provide applicant, hereinafter referred to as "Student", 8 hours of behind-the-wheel training based on the Ohio Driver Training Curriculum. The student will complete the 24 hour equivalent of required classroom with an Ohio approved online provider. The student must provide a certificate of enrollment in an approved online driver education program to begin the eight hours of behind-the-wheel training. State of Ohio regulations require all training be made available by 6 months from start date. Should a student be unable to attend available training sessions offered, the school is relieved of the aforementioned obligation. The Driving School shall furnish a licensed instructor and a motor vehicle for instruction. The tuition for said instruction is \$375.00.

Any additional in-car training may be obtained at the hourly rate of \$65 per hour. If applicable, the Student may, for an additional fee of \$130.00, use the Driving School's vehicle to take a driving exam at a State exam center located in Cuyahoga County, OH.

The Student is required to obtain a valid temporary driving permit and pay tuition in full prior to scheduling the practical driving portion of the training. If the student must cancel a scheduled driving appointment, cancellation must be made a minimum of 24 hours prior to the scheduled appointment. Failure to do so may result in an additional fee of \$50. The same fee shall apply should the Student fail to appear for, or for any reason not prepared to take, the scheduled lesson. Should a check received as payment of tuition in whole or in part, be returned due to insufficient funds, the Student may be removed from the driving schedule until such a check is made good. An additional fee may be charged for any returned check.

The student is required to complete all available training within six months of the date the training begins. No student is permitted to complete more than four hours of online and behind-the-wheel training in a twenty-four hour period. The Driving School must make available any remaining behind-the-wheel training once the student provided proof of completion of an online driver education program. There may be no refunds provided after that time. Upon expiration of this agreement, a reinstatement fee may be charged before any further services are provided. The Driving School does not guarantee the issuance of a driver license to the Student. If training is not completed within the six months, a new agreement shall be established and training shall be restarted. The Driving School reserves the right to cancel this agreement at any time, should the Student's conduct indicate a lack of responsibility deemed necessary by The Driving School to safely operate a motor vehicle. Destruction of property, or the possession, distribution, or use of any tobacco product, alcohol, or drug of abuse is strictly prohibited. Should this agreement be cancelled under such circumstances, all fees may be pro-rated, based upon hours of service provided prior to cancellation.

Refund Policy: Student further agrees to buy \$20.00 of gasoline for the company vehicle during ONE in-car lesson. If the student lives further than 25 minutes from the Driving School's Cleveland Heights location, student agrees to buy \$30.00 of gasoline. After completion of one in-car lesson, no refunds will be issued. Please be aware that the driver's education vehicle may be equipped with video surveillance, and by signing below, you consent to the use of the use of this surveillance. All students must have either their enrollment certificate from the online course or their certificate of completion from the online course, or both to begin driver training with a licensed instructor, per the Ohio Revised Code for Driver Training..

The Driving School shall furnish a certificate of completion to all students under the age of eighteen years, who successfully complete the course. This certificate is mailed to the student at the address on the temporary license and is typically received within 7-10 business days. To expedite the certificate (available within 2 business days of receipt of request), there is a fee of \$20.00. Completion, as defined by the State of Ohio, refers to the completion of the required number of hours online and the student's good-faith effort having been exercised during the practical driving portion.
